

# Daytek® Rotary Clothesline M48

Daytek Rotary Clotheslines have an adjustable drying height of 260mm and come with pre-strung and pre-tensioned lines ready for installation.

Each Daytek Rotary Clothesline includes a Ground Socket featuring 3 installation heights with 120mm of adjustment. The Rotary head can be folded down and the entire Clothesline can be easily

removed from the ground socket for storage when not in use giving back valuable yard space.

The M48 Rotary clothesline is the most popular model in the rotary range. With a total of 48 metres of line space and a maximum outer line length of 2.5 metres the M48 can easily accommodate queen size flat sheets. **Custom colours are available through the Special Orders desk.**
