

Daytek® Lift & Lock Slim Fold Down Clothesline

Slim Fold Down - Iron Grey

The Daytek Slim Fold Down clothesline is designed for applications where the available space is too narrow to take a standard fold down. With an overall depth of only 645mm in the up position the Slim is ideal for areas such as balconies or narrow passageways between a house and side fence.

The Daytek Slim Fold Down also features the Australian Good Design Award Lift and Lock wall bracket.

Custom colours and sizes are available through the Special Orders desk.
